

**Peterson's Ice Cream Depot and Clifton Baptist Church parking agreement**

This agreement allows Peterson's Ice Cream Depot exclusive use of the Clifton Baptist Church parking lot except for any church related activities.

In return for exclusive use of the Church parking area during non-Church related events, Peterson's will:

- Allow congregation members to park in the lot whenever needed.
- Take responsibility for blocking off the parking area for Church activities to insure parking is available to the Congregation whenever needed, throughout the entire year. The Church will notify Tom or Jean Peterson when the need arises to reserve the area for the needs of the Church
- Allow parking on our property at 7150 Main Street for use by the Congregation when a need arises.
- Provide an Ice Cream Social for the Congregation 2 times per year during regular hours of operation. The dates will be determined by the Pastor.
- Make (2) \$500 donations to the Church. One of the donations would be made at Easter and the other at the conclusion of the ice cream season in November.
- Have signs required by the Town approved by the Church.
- Understand the Clifton Baptist Church reserves the right to cancel this agreement at any time.
