Re: Building located at 7239 Dell Avenue, Clifton, Virginia 20124

Dear Mr. Fitzhugh,

The Town of Clifton is aware of the blighted property located with the town limits at 7239 Dell Avenue. This letter is to inform you that the Town of Clifton would not object if Fairfax County takes action to demolish the property, so long as the grounds are cleared of debris and the County's agents stabilize the site with grass or other acceptable ground cover.

Please do not hesitate to contact me with any questions.

Sincerely,

William Hollaway
Mayor, Town of Clifton
