SUPERVISOR PAT HERRITY represents the Springfield District (including the Clifton area) on the Fairfax County Board of Supervisors and has over 40 years of active business, sports, and civic community leadership and experience. First as a business and community leader, and now as a Supervisor, he has actively led efforts to implement common sense solutions to our pressing problems including reducing the tax burden on residents, addressing the increasing

crime rates and focusing education resources on teachers and into classrooms. He is a balancing, common-sense voice on the Board and serves as Chair of the Board's Older Adults Committee and the Sports Tourism Task Force. He has been named the Best Public Servant in the Gazette Leader's Best of the Best for the last 7 years. He is the only Supervisor to receive the President's Award from Fairfax County Federation of Teachers for his work supporting our teachers.

It is hard to believe that Peterson's is close to concluding our 18th year in business. We have grown from a "soft serve" only establishment to making our own "hard ice cream". We have won numerous "Best Ice Cream" awards as we have great recipes, (Thanks to Jean !), and only use the very best ingredients. We proudly acknowledge the many young people who have worked here throughout the years and we attribute so much of our success to them. This is the first job they've ever had and they have learned valuable skills

such as how to work hard and work as a team. We believe that these young people are the "best of the best" and we are so proud of them. Thank you Team Peterson!

Apex Electric has been providing reliable and quality electrical services in the Northern Virginia region for over 15 years. We are based in Clifton, VA and have recently added a Prince William county location. Please see our [Services](#) page for complete list of electrical services provided by Apex Electric. We are a family-owned residential electrical contractor and the majority of our business originates through repeat customers and "word-of-mouth". We do very little advertising so that we can keep our costs low and competitive.

that's not trash, it's a resource!

in the greater Clifton, VA area, we invite you to make the most of your recycling efforts and join the Resource Recovery Project (RRP).

**TRUE, SINGLE-STREAM, CURBSIDE
RESOURCE RECOVERY!** We challenge the idea that recycling is not easy, cheap, efficient, or effective - it can be! We collect most resources (except liquids, organics & food, and medical waste) as long as it is clean and dry. We find the highest and best use for collected resources - reuse, repurpose, rehome, and recycle. If you are
